Rice Bowls Lenten Stewardship

Part of Lenten preparation includes alms giving (i.e. giving of money to help those who are less fortunate than oneself.)

Rice Bowls are a longstanding tradition with collections sent to CRS for use throughout the world.

Rice Bowls allows each of us to effectively participate in giving, by collection our coins and filling up the rice bowl over the 40 days of Lent.

One suggestion is to include the difference of what you would save not eating meat on days of abstinence and add in the amount you would have spend on food on days of fasting as well.

Actively gathering money and placing it in a bowl provides great opportunities to share the importance of stewardship—helping those in need especially for families with children.

(Pick up a Rice Bowl today at the entrance of the church)

Please pray for Art Butler a long time founding parishioner who passed away recently. We offer our sympathy to his family and ask the Lord to take him to Himself forever.

Archbishop Sartain wants your input!

As many of you may know, Archbishop Sartain has been working to address several challenges facing the archdiocese. Over the next several weeks, everyone in our archdiocese is invited to take part in a planning study. The purpose of the study is to gather parishioner feedback regarding several archdiocesan-wide needs related to funding of retirement for clergy and religious, as well as local parish needs.

To participate in this important study, please go online to www.seattlearchdiocese.org and click on the "Planning Study Survey" link under the Archdiocesan Events and Activities section to learn more and provide comments. Use password: **Catholic**.
