St. Vincent de Paul Society:

As you have read, one of my goals is to restart St. Vincent de Paul Society in the parish. We do have poor people in the parish. We have some who do not have food. We have a housing project within our boundaries. Members go in pairs to call on people. I would also like the Society to work together with the St. Vincent de Paul at Our Lady of the Lake and at Assumption. We need to be supportive of one another.

If you are interesting in joining, please call and leave word or send me an email, khaydock@stbridgetchurch.org.

Basketball Hoops:

The parish is installing a basketball hoop at the end of the parking lot. The parish is trying to make the grounds more user friendly for the youth of the community.

Tree Removal:

Neighbors recently complained to the city about the removal of the three oak trees. Generally, I do not like removing trees. However, when the roots destroy the water lines into the parish and raise the sidewalls they become a hazard, it is always more prudent to remove the trees and start over again. The next steps are to remove the concrete so the plumbers can repair the water lines, and then repave the front. Thank you for your patience and understanding.
