Sidewalk Repairs

Starting the week of August 21st, we will begin
sidewalk repairs in the front of the church. We
anticipate the repairs will take up to two weeks. The
contractors have assured us that during construction
we will have full and safe access through all the
entries into the church.

As you know the old sidewalks had become raised
and cracked from the over growth of the trees which
we had removed. When completed we will have level
sidewalks to insure our safety as we enter the church.
